Rick Maingot

**Staff in Attendance:** Matthew Brady, Planner I  
Stacey Child, Parks & Recreation Director

**Minutes Recorded by:** April Houser, Executive Secretary

---

---

**Item 1: Mapleton City will give a presentation on the proposed Trails Map.**

Matthew (Matt) Brady went over the Transportation Plan on the map for those in attendance. This map indicates roads, bike lanes and trails – both existing and proposed. He would like to come back before the Trails Sub-Committee at their March meeting with a Final draft for them to recommend on to the Transportation Committee. A large amount of the trails will be based upon development. Tracy would like to see the different layers broke up on the map. When marking bike paths, the cost for additional striping will have to be looked at in regards to paths on both sides of the road. Matt stated that he would indicate on the map which areas are wide enough to have bike lanes on both sides of the street. The map also indicated existing and proposed restrooms. There were some concerns by members of the committee that there is no current trail head for horses being shown, and they would like one moving forward if possible. Matt felt the best option for this at the current time would be in the Preserve Subdivision, although he did not know how the residents living there would feel about a trail head in their neighborhood. A possible trail head was also discussed on Collin Allen’s property. The Committee would like to see dirt and asphalt trails shown on the map. Tracy would like a map showing the canal trail, in phases, for the meeting that will be held with the Bureau in March – this meeting will take place of the scheduled Trails Sub-Committee meeting for that month.

**Item 2:Adjourn**

The Trails Sub-Committee Meeting for Monday, February 9, 2009 was adjourned at 10:15am.
