

MAPLETON CITY
TRAILS SUB-COMMITTEE MINUTES
December 8, 2008

PRESIDING AND CONDUCTING: Chairwoman Tracy Padgett

Members in Attendance: Cathy Jones
Rick Maingot
Ann Tolley

Staff in Attendance: Cory Branch, Planning Director
Matthew Brady, Planner I

Minutes Recorded by: April Houser, Executive Secretary

Items below are not necessarily in the order they appear.

Item 1: Discuss map regarding bike paths, trails heads, and trails for the Master Trails Plan.

The Committee felt both the trails and bike plans should be done simultaneously. Tracy felt there should be bike paths throughout the City that lead to all the local schools. Staff will indicate on the map the new High School and future Elementary School that is located west of the current City limits. The second priority would be for the bike paths to get to the trails, and third, to loop around the City. Tracy asked Cory to check with Spanish Fork City to see where their paths/trails may be located so we can connect into theirs. Matt will indicate Spanish Fork's bike paths, and Springville's bike paths and trails on the map. The committee would like there to be bike paths along the Highway, Main, Maple, 1600 South, 800 West, 400 North, Slant and 1600 North streets. Tracy felt it would be helpful with future grants if there are bike paths/trails leading to the Highway as a UDOT connection. Once these suggestions have been put on the map, they'll be forwarded on to the Transportation Committee at their next available meeting.

Item 2: Update on Canal Parkway Trail – Gates, etc.

This item will be discussed at the January 2009 Trails Sub-Committee Meeting. Horrocks Engineering will be doing a presentation, and Tracy would like Gary, Scott, and Laurel there if they are able to. Tracy would also like an article in the next newsletter about the status of the Canal Parkway Trail, which she will write up and have Cory proof-read before it's printed.

Item 3: Adjourn

The Trails Sub-Committee Meeting for Monday, December 8th, 2008 was adjourned at 10:20am.
